## SECTION 1 PROGRAM DESCRIPTION AND REQUIREMENTS

### 1.1 The Workforce Innovation and Opportunity Act

The Workforce Innovation and Opportunity Act (WIOA) is federal legislation that guides employment and training programs and was passed into law on July 22, 2014. WIOA provides the framework through which workforce areas and regions can leverage Federal, state, local and philanthropic resources to support businesses and job seekers. It seeks to help improve individual's access to employment and training activities that are relevant to current labor market conditions.

WIOA emphasizes training that leads to credentials in targeted growth sectors of the economy. It encourages service coordination among education and workforce partner agencies and the creation and utilization of career pathways in the targeted sectors. The legislation is designed to help workers, including those with barriers, to access services that lead to employment in demand occupations.

WIOA puts the One-Stop system and its operation at the forefront of workforce development activities. WIOA Section 121(d)(2)(A) requires that One-Stop Operators be chosen through a competitive process. The One-Stop Operator is responsible for the management functions of a One-Stop Career Center. The Act also charges the Local Board with responsibility for conducting the competitive procurement for selection of a One-Stop Operator. This procurement must occur at least once every four years. The Mid America Workforce Investment Board (MAWIB) is the Local Board that is responsible for carrying out the procurement in local area 24.

### 1.2 The Mid America Workforce Investment Board

The Mid America Workforce Investment Board plays a key role in the economic development of our area. MAWIB is a collaboration of business, economic development, education, human resources, community and labor leaders seeking to improve Southwestern Illinois. We do this in many ways that include:

**Serve** as a point of contact for business, industry and the public sector to communicate their workforce needs.

**Promote** strategies to encourage life-long learning and improve workplace skills.

**Assist** in the development of new training programs to benefit the region's workforce.

**Conduct** planning, oversight, and evaluation of local workforce development programs, including the local One Stop Delivery System.

**Coordinate** efforts and activities with economic development to promote the region's availability of qualified workers and promote coordination among business and the public sector.

Established under the guidance of the Workforce Innovation & Opportunity Act (WIOA) of 2014 the WIB develops a plan for how the federal employment and training funds will be

spent. The WIB also selects the operators and providers of services in the area, and conducts oversight of the employment and training programs. The WIB coordinates workforce development activities in the counties of Clinton, Monroe, Randolph, St. Clair and Washington.

In furtherance of these goals and in keeping with WIOA, The Mid America Workforce Investment Board is requesting proposals for One-Stop Operator Services.

### **1.3 Purpose of Request for Proposal**

The Workforce Innovation and Opportunity Act puts forth a framework for establishing One-Stop Career Centers. Each comprehensive center must have a One-Stop Operator and that Operator must comply with requirements established under WIOA and its implementing rule. At a minimum, the role of the One-Stop Operator is to coordinate the service delivery of required one stop partners and service providers.

The purpose of the RFP is to solicit proposals from qualified entities for a WIOA One-Stop Operator for LWA 24. In LWA 24 the comprehensive One-Stop Center is located at the Illinois workNet Center, 4519 West Main Street, Belleville, Illinois 62223.

### **1.4 Solicitation**

- The MAWIB hereby solicits proposals, using a competitive bid process, to qualified organizations to provide One-Stop Operator services for LWA 24.
- This RFP does not commit the MAWIB to accept any proposal submitted, nor is the MAWIB responsible for any costs incurred by the respondent(s) in the preparation of the response to this RFP.
- The MAWIB reserves the right to reject any or all proposals and/or to accept or reject any or all items in the proposal.
- The MAWIB reserves the right to negotiate with the respondent(s) after proposal review, if such action is deemed to be in their best interest.
- The MAWIB reserves the right to modify any resulting contract to include additional responsibilities reasonably related to the initial scope of work with necessary funding to support completion of those additional tasks provided as appropriate.
- The MAWIB will obligate up to \$30,000 annually for the reimbursement of this contract.
- The contract will be on a cost reimbursement basis.
- The contract duration will be from 7/1/2018 to 6/30/2022.

- The specifications outlined in this RFP have been deemed to be a minimum acceptable standard. The respondent(s) are encouraged to submit a proposal that will provide LWA 24 with the best quality and cost-effective option for the services being requested.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the DOL may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DOL if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties From Procurement or Non-procurement Programs.
